

Operation Software Version 4.8.5 on release

Dear Model 22X customer,

2014.Oct.15

Marantz Electronics Ltd.,

Industry Division

We would like to express our gratitude to your continuous use of Model 22X series.

This upgrade is for compatibility to Mac OS10.10 (Yosemite). There are tiny bug fixes, but there isn't new function or improved function from Version 4.8.4.
