

Operation Software Version 4.9.8 on release

2017.Oct.10

Dear Model 22X customer,

Marantz Electronics Ltd.,

We would like to express our gratitude to your continuous use of Model 22X series.

This upgrade is for compatibility to macOS High Sierra (10.13). There are tiny bug fixes, but there isn't new function or improved function from Version 4.9.7.
